

Environmental Policy

Amberon Group Ltd.

Amberon House,
Aspen Way,
Paignton,
TQ4 7QR.

ENVIRONMENTAL POLICY STATEMENT OF INTENT

Amberon Group considers environmental management to be of prime importance and is fully committed to fulfilling all environmental responsibilities as well as continuous improvement of environmental performance. As such Amberon Group will work with clients, contractors, suppliers and the workforce towards achieving this goal.

Amberon Group management system applies to:

Sustainability is an essential part of the corporate culture at Amberon and an integral part of our strategic plans.

We know that our success is directly linked to implementing and executing a broad range of sustainable practices.

Through technological innovation, environmental planning and management, corporate safety initiatives and stakeholder relation activities, Amberon understands that how we conduct business is of equal importance to our results.

Corporate responsibility guides every aspect of our daily activities and is the key to our continued success. Amberon will source consumables from environmentally ethical firms such as timber and paper

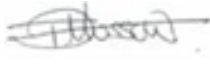

The objective of this policy is to support and enhance environmental performance throughout Amberon Group.

All persons conducting activities under the name of Amberon Group will adhere to this Environmental Policy.

This Environmental Policy Statement is applicable to all areas of our business and has been implemented to meet the requirements of the ISO 14001:2015. It is our Policy to:

- Identify and manage environmental aspects and impacts;
- Understand and comply with all legal requirements, codes of practice, regulations and compliance obligations;
- Organise operations to protect the environment, prevent pollution and minimise disturbance to neighbours and the general public;
- Use strategic objectives to drive and promote continual improvement of the environmental management system
- Provide assistance, supervision, training and information that may be necessary to personnel at all levels;
- Use materials and resources with regard to long-term sustainability;
- Employ a consistent framework for the management of environmental issues across all its operations;
- Audit environmental performance to ensure delivery of this policy statement;
- Minimise waste through the application of the 'Waste Hierarchy' wherever possible;
- Ensure proportionate and effective preparation and response to foreseeable emergencies.
